Dental implants are not covered.

The above is a listing of common services available through your network of Contracting Dentists.

The Member's share of the cost is determined by whether care is received from a Contracting or Non-Contracting Dentist.

Benefits for covered services received from a Contracting Dentist are based on the Allowable Amount, and such Dentist cannot balance bill for charges in excess of this Allowable Amount. Benefits for covered services received from a Non-Contracting Dentist will be based upon an Allowable Amount determined by BCBSTX, where non-contracting Allowable Amount will be not less than the amount BCBSTX would have paid, for the same covered service, supply, or procedure if performed or provided by a Contracting Dentist, and it is possible that such Dentist will balance bill for amounts above this.

This plan includes BlueCare Dental Enhanced BenefitSM. The Enhanced Benefit provides additional dental benefits, such as an extra cleaning for members with specific health issues. Please refer to your Dental Benefit Booklet for additional benefit information.
