That's why you should join the Special Beginnings program as soon as you know you are pregnant.

The **Special Beginnings** maternity program supports you from early pregnancy until six weeks after delivery. An experienced Blue Cross and Blue Shield of Texas staff member will contact you and:

- Ask you questions to determine what support you will need
- Send you helpful information and a free e-book about having a healthy pregnancy and baby
- Answer any questions you have and help you plan your care with your doctor
- Assist you with managing high-risk conditions such as gestational diabetes and preeclampsia

Take good care of yourself and your baby — join Special Beginnings today!

Enrollment is free, easy and confidential.
